WORKSHEET C

# KPI Tree

| Startup: **HappyHealth – Home Medical Care, Karachi** | Team: **THEO – Idea/Planning Stage** |
|---|---|

**One North Star, then 1–2 KPIs per goal. Every goal needs at least one Leading (L) KPI you can move weekly. Lagging (G) KPIs show the result.**

## North Star metric — the single number that best shows value delivered

| North Star |
|---|
| **Total trusted paid care shifts completed on-time with vitals & medicine log + family NPS >8. Single number showing value delivered to elderly DHA/Clifton + overseas families. Target M6: 150 shifts (5 families x 15 days x 2 shifts avg).** |

## KPIs

| Goal | KPI | L/G | Definition (what we count) | Baseline | M6 target | Data source |
|---|---|---|---|---|---|---|
| G1 | Family consultations per week | L | Family home visits / 15-min free onboarding calls held (DHA/Clifton/PECHS). Leading – you can increase weekly. | 0 | **15 per week** | WhatsApp + Excel CRM |
| G1 | Families with 15 days advance paid | G | Families who paid Rs67.5k (15 days @ Rs4500/shift) advance into bank. Lagging – result of consultations. | 0 | **5 families** | Bank + JazzCash + Excel |
| G2 | Problem interviews per week | L | 20 local +10 overseas interviews – do they have problem & will pay for qualified care @ residence? | 0 | **8 per week (30 total)** | Interview sheet + Google Form |
| G2 | Nurses verified per week | L | New nurses verified: PMDC/PNC license real + previous hospitals reference + police verification + CNIC. | 0 | **4 per week (15 total)** | Verification file + PMDC portal |
| G2 | Shifts completed on time | G | Shifts where nurse reaches <2h SLA with GPS + vitals logged + medicine + family sign proof. >95% punctuality. | 0 | **300 shifts** | App / Dashboard + GPS + Vitals log |
| G3 | Weekly care check-in calls | L | Calls to families for satisfaction score (NPS) + care quality check. Leading – move weekly to improve retention. | 0 | **20 calls/week** | Call log + NPS sheet |
| G3 | Contract renewal 2nd month | G | Families who pay 2nd month + stay + NPS>50 + 0 incidents + equipment loss <2%. Proves pay & stay. | 0 | **70% renewal (7 of 10)** | Bank + Renewal sheet |

Example: G1 · Demos per week · L · Demos held with a shop owner · 0 · 15 · Sales sheet – Every goal needs at least one Leading KPI you can move weekly.
